## Banquet Success

The Artesia Chamber of Commerce Annual Awards Banquet was held June 2<sup>nd</sup> at the First Baptist Church TLC building, Former Secretary of Commerce Don Evans as the guest speaker.

The evening started out with a welcome introduction from Executive Director of the Chamber, Richard Price. Guy Lutman briefly gave his accolades to the Chamber and the City of Artesia; Don Evans spoke to the crowd about the importance of community, patriotism, family and the President of the United States George W. Bush.

The lights dimmed and the night's honorees were then treated to a video segment heralding their accomplishments. Those recognized were: Lisa Johnson - Associate of the Year, Terry Maupin and Terry's Electronics & Home Center - Business of the Year, Rick Sullivan - Citizen of the Year, Charlene Ward - Lifetime Achievement Award, and Chip Camp and Artesia General Hospital - Corporation of the Year.

The last award of the night was presented by Mike Phipps on behalf of the Artesia Public School system to Mack Chase for his generous and kind contributions to the school system over the years.

Another memorable night and another great list of honorees. Thank you to all the honorees that work in the community, reflect the best of us and make Artesia a wonderful place to live. We look forward to next year.
