2020 is shot, right? We invite you to come take out those COVID-19 aggressions on clay birds this Fall while supporting Artesia Chamber of Commerce and Eddy County Shooting Range in Artesia. It will be structured a bit different than normal, but we have come up with an alternative way to still be able to hold the shoot, have a great time and give away some awesome prizes.

Artesia Chamber of Commerce works to develop opportunities, foster a favorable business climate, and encourage a vibrant quality of life in our community through events, member services and advocacy. We are so thankful for businesses, individuals and especially our amazing members who support us every year with membership investment and event sponsorships. We hope the 12th annual Clays Crusher will be a refreshing moment for people to enjoy themselves in an otherwise limiting environment. We know this is a difficult time for everyone, but we appreciate you for standing beside us to help us make Artesia the best it can be, even in tough times. From the bottom of our hearts we thank you!
