We have MOVED to a new date for our 14th Annual Clays Crusher Fun Shoot 2022.

Join us this year for busting clays, shooting games, food, and fun. Don't forget, in our shoot, anyone can win!! We welcome men, women, and youth out to the Eddy County Shooting Range to participate in what has historically been a great kick off to the fall season. Your participation in this shoot helps the chamber stay active in the community and the shooting range continue to provide outdoor activities for all.

Artesia Chamber of Commerce is a non-profit organization that works to develop opportunities, foster a favorable business climate, and encourage a vibrant quality of life in our community through events, member services and advocacy. We are so thankful for businesses, individuals and especially our amazing members who support us every year with membership investment and event sponsorships.

The Eddy County Shooting Range was incorporated in 2006. They offer leagues and other activities for men, women and youth of all ages, as well as automated shooting stations with a pre-paid target card for anytime access. If you have an interest in shooting, start with a membership at Eddy County Shooting Range.

We hope you decide to support your local chamber and shooting range by coming out and having some fun.

Not already a member? Join us!
